

DEALERS' ACCESSORY BULLETIN

XLCH TACHOMETER KIT

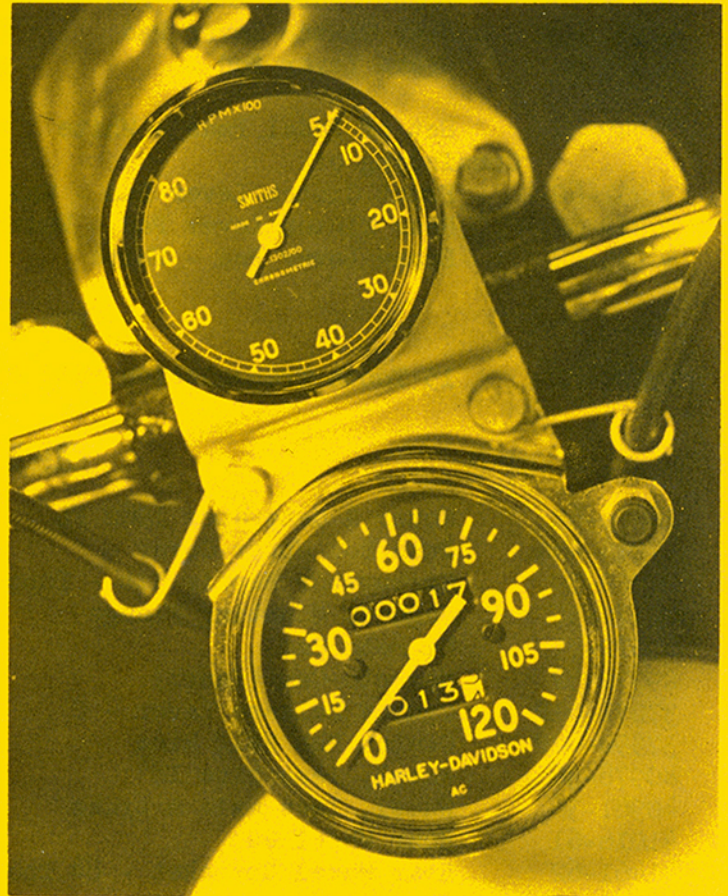

We now have available a very accurate Tachometer, as illustrated here, registering from 500 to 8000 R.P.M. Its positive response, due to simplicity of drive makes this tachometer reliable and easy to read.

92050-62 Tachometer Kit -- List - \$41.00

Using this kit, the tachometer can be mounted on XLCH motorcycles having the latest magneto with the tachometer drive opening. (XLCH's starting with motor number 62XLCH 4044 have this new magneto).

92050-62 Tachometer Kit, List - \$41.00, consists of the following parts:

2 - 5925W	Spacer	\$0.05
2 - 6242	Washer	.03
1 - 6248	Washer	.03
2 - 9961	Clip	.20
2 - 11410	Grommet	.15
1 - 11110	"O" Ring	.15

NEW MOLDED RUBBER PEDAL PADS

We have just received a small, initial shipment of our new, black, molded, rubber, slip-on pedal pads. The transition to the new style pads resulted in some back orders on these black rubber pedal pads. Back orders are now being filled as fast as supplies come in.

This new style molded rubber pedal pads will also be available in white. A set of white pads will be sent to dealers on our sample list as soon as they are available.
